9th June 2017

Dear Parents and Carers

Explorer Day

On Wednesday 21st June we will be having a whole school 'Explorer Day'. The children will be focussing on aspects of Geography and History that relate to the exploration of the world. Each class will be finding out about a renowned explorer, past or present. We would like children to come to school on this day dressed as an explorer. You could come as a famous explorer or just someone ready for adventure in the big wide world! Have your journey planned and your (imaginary) suitcase packed with everything you might need. The best outfits are always the ones you have created out of your imagination, string and some recycled boxes!

We would like you to design a postcard from somewhere around the world – near or far – that celebrates the culture and environment of your chosen place. Rather than the usual '*wish you were here*' message we want you to do some exploring! We will be looking for interesting facts and details that show some thoughtful research. Of course, every postcard needs an eye-catching picture – the name of the place should be incorporated into your design. There will be prizes for the most inspiring postcards so get thinking about where you would love to visit!

Finally, if you have any photos and travellers' tales that you would like to bring in to 'show and tell' for your class, we would love to see them.

We are looking forward to seeing what you can discover.

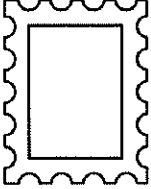

Yours sincerely

Ms Haynes and Miss Bradley
Geography and History Coordinators

Design a Postcard
